SCI-PIC

Deadline: 23.08.2022

THEME
Day-to-day Science around us through your lens

Any photo that demonstrates, communicates or explains a scientific, technological, engineered or mathematical concept or phenomenon in our day-to-day life.

Guidelines

- The work should be original.
- Photographs must not be older than 3 months and no watermark should be present.
- All photographs should be in JPG/JPEG/PNG format.
- Provide a one word/ one sentence to describe your work and the idea behind it.
- Only one entry per participant is allowed.
- Any device can be used.
- Only basic adjustments are allowed(brightness, contrast, etc)
- No entry will be accepted after the deadline.
- The photograph will be judged on its creativity, clarity, framing, overall impression and communication of idea.
- File should be named in the format: 'participantname_college/schoolname'.
- The competition will be in two categories: Category A(school level) and Category B(college level).
- Winners will need to provide their school/college id.
- The organisers hold the right to upload the selected entries in the NISER handles with appropriate credits.
- Any queries regarding the competition should be sent to outreach@niser.ac.in
